

# Agricola

## WIND PROJECT

### UPCOMING OFFICE HOURS

Liberty Renewables is offering informal "office hours" where community members from the Towns of Scipio and Venice, as well as the surrounding areas, are invited to meet with Liberty Renewables team members about the proposed Agricola Wind Project. These office hours provide another opportunity for the community to engage in discussions about project plans, review informational materials, ask questions, and share any concerns.

*A reference copy of the Project's permit application, which was recently submitted to the New York State Office of Renewable Energy Siting and Electric Transmission (ORES), will be available to view during office hours.*

Two distinct office hours time blocks are scheduled:

#### **Scipio Fire Station**

*3550 NY-34, Scipio Center, NY 13147*

**Tuesday, December 3  
6 – 8 PM**

#### **Venice Town Hall**

*2479 NY-34, Scipio Center, NY 13147*

**Wednesday, December 4  
6 – 8 PM**

---

#### ***Please Note***

*Liberty Renewables has a new company website. Community members are encouraged to explore this resource to learn more:*
